### **The Home Port**

*We raised \$140 for the Warriors Retreat with the 50/50 drawing at The Place.*

Since the close of Grecky's Caribbean Bar and Grill the Phlock has been looking for a new home. Our president has been real busy scouting out new places (bar hopping on a mission) and talking to different venues. One of the places that has thrown their card in the hat is **Pappy's at St. Andrews Marina** and this month the Parrot Head Club will be checking it out on **Friday, September 3**. Drink specials include \$1 domestic beers and \$5 drinks, plus some munchies on the house and dinner specials just for us! Our own PCPHC members Rick and Lucinda Tye, also known as Ebb Tyed, will be crooning some good old trop rock music and lots will be going on as we start to raise money to **PHIX OUR PHLOAT!!**

### **PHLOCKING NEWS...**

Come out on **Friday, September 17** and celebrate the **Club's 8<sup>th</sup> Birthday** at some really great place, somewhere. The venue I had lined up called and

cancelled on me yesterday afternoon but I will get us something all lined up and you KNOW there will be drink specials and live trop rock music. Watch for an upcoming email with all the details!!

We will have a special birthday cake (YES, I SAID CAKE!!) and, just for fun, **bring a birthday present and get a birthday present!!** If you would like to party-cipate, just bring a PHUN or PHUNNY present (inexpensive or FREE) all wrapped up in pretty paper (or the Sunday funnies) and exchange it for one for yourself... Everybody should get to unwrap a present on their birthday, right

**Up the Creek!**

Well, once again Mother Nature was not cooperating with our plans for outdoor adventure. With an 80% chance of thunderstorms last Saturday the Canoe Trip was called off. I did hear report that five or six brave souls put on their rain slickers and went anyway and they had a BLAST!! But, this has just not been a great year for those weekends of phun in the sun. Speaking of the great outdoors, our Green Parrot Chair Joe-Maica Joel has decided to take a break. If you are interested in organizing our clean-up activities (highway, shell island, econfina creek, etc.), please step up for Green Chair. Thanks Joel for all you have done for the club!

**JOIN THE HEART WALK!**

On Saturday, October 16, the Panama City Parrot Head Club will be participating in the American Heart Association's National Start! Walking Day by lacing up our sneakers and walking for 30 minutes. Please come out and shake your tail feathers with us!! Go online to <http://bayheartwalk.kintera.org/pcphc> to join the team. Plan to dress in your Parrot Head best as we do have a reputation to uphold in the community! LOL!!

This event is meant to encourage and inspire Americans to become more physically active on a daily basis. If you can't come out and walk, you can still support our efforts by making a donation as we are raising dollars nationwide to fund heart-saving research and programs. More than ever, your support is needed. Click on this link <http://bayheartwalk.kintera.org/sincitylisa> to visit the donation page where you can make a secure online credit card donation or print out the donation form to mail a check.

When you participate in the Start! Heart Walk, you are taking steps to build healthier lives free from cardiovascular disease and stroke. The money you raise funds life-saving research as well as community and professional education programs that are impacting lives every day. Let's get the Parrot Head Club into the top ten money raisers and show them once again that we are "Angels in Tropical Shirts!!"
